Can I have some of these stamps? --NO!A compilation of stamps thought top be the "Greatest" They are described by the authors as historical, beautiful and their own favorites and how they came to own them. The photos are excellent and the stamps are a collector's dream. An nice coffee table book and for collectors a book worth reading. How many of them do you own?0 of 0 people found the following review helpful. Five StarsBy Ellen StrapacExcellent stamp book - very well done relative to its content and descriptions of our greatest US stamps.2 of 2 people found the following review helpful. Super book with great pictures!By BettyWonderful to use in my class! Pictures are large and information is interesting! Binding isn't very strong and my first copy came apart.
