**Jack Rennert : 100 Posters of Paul Colin** before purchasing it in order to gage whether or not it would be worth my time, and all praised 100 Posters of Paul Colin:

0 of 0 people found the following review helpful. Five StarsBy Gifford BoothGreat! Great! Great!

Over 100 large-scale, full-color poster images by the artist Paul Colin. Famous for starting the career of Josephine Baker (the first poster in which she ever appeared was created by Colin and serves as the cover of this book), Paul Colin is notably one of the greatest and most influential graphic designers of the 20th century. This book is written by Jack Rennert, the world's foremost authority on vintage posters.
