From Brand: Krause Pubns Inc : 2003 Standard Catalog of Football Cards (Tuff Stuff Standard Catalog of Football Cards) before purchasing it in order to gage whether or not it would be worth my time, and all praised 2003 Standard Catalog of Football Cards (Tuff Stuff Standard Catalog of Football Cards):

0 of 2 people found the following review helpful. Book has cards... That's about it.By A CustomerThis book has cards and that's about it. The cards in this book are way overpriced. For example I have a Barry Sanders/Jerry Rice card. In the book it goes for one hundred dollars. In Beckett it goes for twenty five bucks. I have a Chad Pennington card. In the book it goes for one hundred dollars. In Beckett it goes for a measly twenty dollars. I can give many more reasons not to buy this book but I am limited to only a thousand words. Buyers Beware... DO NOT BUY!!! Buy Beckett!
