Sporting Knives, now in its 4th edition, covers the breadth of today's commercial sporting cutlery! Including folding, tactical, pocket, fixed, multi-tool, semi-custom, and fantasy knives from more than 60 companies such as Kershaw, Browning, Buck, Case, Columbia River, Knife Tool Co., and Spyderco, this new edition provides in-depth coverage of the best and the latest the commercial knife industry has to offer. Hundreds of factory-made sporting knives are arranged alphabetically according to manufacturer with each listing containing retail prices, knife specifications, features, styles, appropriate sheaths, handle components, and collaborating custom knifemakers. Hundreds of clear black and white photos accompany not just up-to-date pricing information, but detailed information on the background history of knives and knife making companies.
