The Brookman Price Guide is a widely used retail price guide for US stamps and postal collectibles. The 2006 edition features thousands of price changes and hundreds of new illustrations for US and Canadian stamps and US First Day Covers released from 1847-2005. The 400-page guide also includes US Territories, souvenir cards, souvenir pages and commemorative panesl. A special autograph section covers Presidents, government figures, military leaders, celebrities, athletes and more. It is the only price guide that lists autographs on cover.
