**Arlene Dunn : 2007 Brookman Price Guide United States Canada Stamps Postal Collectibles (Brookman Stamp Price Guide)** before purchasing it in order to gage whether or not it would be worth my time, and all praised 2007 Brookman Price Guide United States Canada Stamps Postal Collectibles (Brookman Stamp Price Guide):

1 of 1 people found the following review helpful. Excellent Price GuideBy bluczrBookman's is my favorite. I use it contantly while bidding on Ebay. It gives such a good range of prices for many of the variations you might run into when grading stamps. A few too many ads in it and you cannot remove them as they are usually attach to stamp grading. Easy to write on and keep track of what I have purchased and what I paid.

The Brookman Price Guide is a widely used retail price guide for US stamps and postal collectibles. The 2007 edition features thousands of price changes and hundreds of new illustrations for US and Canadian stamps and US First Day Covers released from 1847-2006. The 360-page guide also includes US Territories, souvenir cards, souvenir pages and commemorative panels. A special autograph section covers Presidents, government figures, military leaders, celebrities, athletes and more. It is the only price guide that lists autographs on cover.
