history of the various coin values can be retrieved. I often find this extremely useful for my determination of buying and/or selling values. In addition, with the up-to-date coin values listed, I can deduce what is worth to collect. I pretty much collected each year's guide book. When you are a coin collector, this guide book is a must have item. Strongly recommended for all the US coin collectors. 0 of 0 people found the following review helpful. 2008 Redbook By nina chervenkova The book arrived in perfect condition.
