This is the ultimate art identification book.1 of 1 people found the following review helpful. A necessary tool of the tradeBy Steven YvaskaThis book is a classic...everyone in the antiques/fine arts trade needs this volume. Indispensable!0 of 0 people found the following review helpful. DavenportsBy CustomerQuick ship..great book..should have a yearly price update

Davenport's is the standard artist directory which contains biographical and select pricing information (oils, watercolors, drawings, sculpture, etc.) for over 335,000 international artists. Over 30 major art reference books are cross-referenced.

Thousands of artists are listed in Davenport's and nowhere else. It's unquestionably the best and most comprehensive single volume artist reference available on the market today. --Alan Bamberger, in "Art Talk"
