Can't go wrong.By autodidactI buy the back dated editions for club fund raisers. There is always at least one of the raffle winners that reads and wants to be able to look up his or her collection in these fine catalogs. These Catalogs are a fine resource to discover the facts and history of firearms. I believe they are a must for any informed firearm student.0 of 0 people found the following review helpful. Standard Catalog of Firearms 2012By william 111This is a very informative CD. I rated it 4 stars because it is a little hard to follow in CD form. I am sure it was fine

in book form, but following the pages and flow on CD is more difficult. I purchase this for reference only as it is the 2012 version. It was a good value. I would recommend this CD to anyone !!!

More Guns! More Values! More of What You Need! There's a reason this book is known industry-wide as "the standard" reference on firearms. Because year in and year out, it has more of what you need! As always, the all-new 2012 Standard Catalog of Firearms has more—more photos, more prices, more handguns, more rifles, more shotguns. This trusted sourcebook is your must-have guide to the world's hottest collectible firearms, past and present, along with entries for the industry's newest offerings. You Need It? We've Got It! 7,500+ photos and extended descriptions let you know exactly what you've got and what it's worth. Completely updated values from firearms experts. Up to six condition grades for every entry—more than 110,000 prices listed! Stunning 16-page color section featuring the fascinating world of cartridge collecting. If you're a shooter or collector, or if you buy, sell or trade collectible firearms, Standard Catalog of Firearms is the best insurance you can buy!

About the Author Jerry Lee has been editor of some of the leading magazines in the firearms field including Guns, Petersen's Handguns, Rifle Shooter, and many Guns Ammo and Shooting Times special interest publications.
