and wide area of the worlds money

This 20th edition of the Standard Catalog of World Paper Money, Modern Issues, provides the most comprehensive and complete English language reference to bank notes issued worldwide since 1961. This catalog resource features: 21,000 variety listings of world bank notes, 13,750 illustrated bank notes for easy identification, completely vetted and current bank note values in two conditions, country signature charts for specific and accurate variety identification. A network of more than 80 international paper money collectors, dealers and researchers work with editor George S. Cuhaj to ensure that the Standard Catalog of World Paper Money, Modern Issues, is the most informed, accurate and far-reaching resource on the market for the proper identification, description and valuation of modern world bank notes.

About the Author: George S. Cuhaj has been on the editorial staff of the Standard Catalog of World Paper Money and the Standard Catalog of World Coins for nearly 20 years. He is lead editor for the online product NumisMaster, cataloging new issues. Cuhaj is also the lead editor for the Standard Catalog of United States Paper Money and Canadian Coin Digest, among others. Cuhaj hails from New York and has worked at both the American Numismatic Society and Stack's Rare Coins.
