Whitman Coin Folder Album - Canadian 25 Cents, 1911-1952 #2 #079482482X Canada This durable, attractive folder comes in the traditional "Whitman blue." Its cover shows an artfully rendered image of the reverse of a King Edward VII quarter dollar. Inside is a narrative describing the coins and their place in Canada's rich and fascinating numismatic history. The folder has holes for each date as well as popular varieties. Simply place the coin with one

edge tipped into the hole, and then press the high edge down. Feel the snap? It's locked in!
