New from Blue Book Publications, Inc. the most complete reference book with up-to-date pricing ever published on tactical rifles, handguns, and shotguns! One of your first questions might be is, How is this book different from the

32nd Edition Blue Book of Gun Values? The 32nd Edition contains all the A-Z listings that are in the Blue Book of Tactical Firearms. This 3rd Edition contains only the tactical firearms which have been broken out of the Blue Book of Gun Values database. With tactical firearms dominating today's firearms marketplace, the Blue Book of Tactical Firearms is devoted solely to this new area, and does not include sporting guns.

From the first models produced by Horace Smith and Daniel B. Wesson to our current line of recreational, hunting, competition, tactical and self-defense firearms, the Blue Book of Gun Values and the Blue Book of Tactical Firearms by S.P. Fjestad have effectively captured the significance of each Smith Wesson® firearm. Our customer base heavily relies upon these books for their factual content and each presents a unique opportunity to preserve the rich history of our products and company. --Paul Pluff, Director of Marketing/Customer Service Smith Wesson Corp. The Blue Book of Tactical Firearms by S.P. Fjestad is a wonderful reference source for any firearms question or appraisal. Nighthawk Custom is very proud to feature our line of firearms in this insightful collection, which is a must have for any gun enthusiast, collector or shooter. --Eric Hill - Project Engineer Nighthawk Custom
