A pretty good book.By Bill GubbinsI've been a big fan of Greg's art directing work (in both Cleveland and Florida) for many years and he certainly didn't disappoint here. Given the horrible vagaries of the book business in general, I, for one, am glad this book exists. (And, he did "fair use" for most of the images, which is cool.)0 of 0 people found the following review helpful. the best book ever!By A CustomerI am an artist with a keen interest in psychedelic art, and found this book a very useful reference guide. unfortunately i lent to to a freind who tore most of the pages out. in W.A. i cannot get it anywhere so I thank you for having it amongst your titles!

Very good condition.

Music collectibles from the 1960s are profiled in an excellent, colorful collection of album covers, posters, postcards, news clippings, and others. From rock to jazz, this is an excellent collection, indeed. -- Midwest Book
