Krystyna Poray Goddu : A Celebration of Steiff, Timeless Toys for Today (Steiff Bears) before purchasing it in order to gauge whether or not it would be worth my time, and all praised A Celebration of Steiff, Timeless Toys for Today (Steiff Bears):

Dazzling, imaginative color photographs of plush animals made by the premier toy company in the world, Margarete Steiff BmbH. this is a playful, joyous encounter with all that is Steiff today. Come with us as we marvel at the fine hand-crafted toys that have come to represent the best of childhood and the ultimate in toy collecting. Prepared at the company's factory in Germany, with the full cooperation of Steiff, by an independent expert, this book will be enjoyed equally by adults, children and collectors.

About the AuthorKrystyna Poray Goddu has been writing about antique and contemporary toys for a variety of publications since 1981. Founding editor of Dolls magazine in 1982 and editorial director of teddy Bear at the time of its debut in 1986, she is co-author of the book The Doll by Contemporary Artists.
