Buy the latest edition you can find as it will have more information and more colored pictures.0 of 0 people found the following review helpful. Great book on later 18th and early 19th century English potteryBy Sooner ManThis is another one of the great English pottery books by Griselda.0 of 0 people found the following review helpful. Five StarsBy Maria E Romanogreat book

This edition takes the reader from the earliest pottery extant dating from the first Neolithic period through the classical names to the more collectable items of the 19th and 20th centuries. It traces the links in the development of English

pottery and puts them into historical context.
