**Henry C. Lu : A comprehensive clinical manual of Chinese acupuncture** before purchasing it in order to gage whether or not it would be worth my time, and all praised A comprehensive clinical manual of Chinese acupuncture:

This clinical manual is based upon 35 Chinese standard textbooks as references to provide acupuncturists with plentiful resources for clinical practice. The manual covers a wide variety of symptoms and diseases treated by

Chinese acupuncture.

About the Author Henry C Lu is a licensed doctor of traditional Chinese medicine (DTCM) in British Columbia, Canada. He received his Ph.D. degree from the University of Alberta, Edmonton, Canada and taught at the University of Alberta and the University of Calgary between 1968 and 1971 and has practiced Chinese medicine since 1972.
