Tom Zimmerman : A Day in the Season of the LA Dodgers before purchasing it in order to gage whether or not it would be worth my time, and all praised A Day in the Season of the LA Dodgers:

Book by Zimmerman, Tom

From Publishers WeeklyAn expansion of a series of articles the author wrote for the Los Angeles Downtown News , this light and amiable book is of interest for its photographs rather than the text. Zimmerman, a baseball fan, not an expert, focuses on people: colorful manager Tommy Lasorda, stars Orel Hershiser and Kirk Gibson, less-famed athletes Danny Heep and Mickey Hatcher. Here too are broadcasters Vin Scully and Don Drysdale, newspaper reporters and those who make the team and the stadium run smoothly--equipment managers, ushers, peanut vendors, security people, members of the postgame cleanup crew. Dodgers fans should love it. Copyright 1990 Reed Business Information, Inc.
