John Melville Jones : A Dictionary of Ancient Greek Coins before purchasing it in order to gage whether or not it would be worth my time, and all praised A Dictionary of Ancient Greek Coins:

1 of 1 people found the following review helpful. Great tool.By the Old JudgeSuperb support for the collector or academic. Detailed, diverse, 300 illustrations, alphabet tables. J.M. Jones contribution benefits novice and scholar alike. It is what it claims a dictionary Not a bibliography, guide to Greek coins, source book on ancient Greek history, just a very good dictionary on ancient Greek coins. Terms regarding Greek civilization coin types, mints, techniques, and the like.
