**Mauricio Martinez, Gutierre Aceves, Raul Aceves, Ruben Paez : Abracadabra: Mexican Toys** before purchasing it in order to gage whether or not it would be worth my time, and all praised Abracadabra: Mexican Toys:

This 120-page book features vibrant color photographs of handmade toys, combined with poetry that serves to capture the spirit of the unique and whimsical objects. A must-have for all who enjoy beautiful photography, Mexican folk art or the art of traditional toymaking.

About the AuthorMauricio Martinez is the editor of Houses of Los Cabos, Abracadabra: Mexican Toys, and the previous editions of Houses by the Sea, among other pictorial books.Moreno is a photographer specializing in architecture and construction.
