**Dawn E. Reno : Advertising Identification and Price Guide (Confident Collector)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Advertising Identification and Price Guide (Confident Collector):

A comprehensive price guide to available advertising and promotional products that is organized by categories that include everything from baking products, cameras and guns, to medicines, soft drinks and tobacco. Special sections cover slogans, trademarks, tips on buying and selling, and more. Full-color insert.
