**Not Available : Alabama Postcard Book** before purchasing it in order to gage whether or not it would be worth my time, and all praised Alabama Postcard Book:

0 of 0 people found the following review helpful. Sweet Home AlabamaBy Judy WolkenI love our varied and beautiful states. These postcard books allow me to share my passion with others who feel as I do. They are cheaper to send than letters and everyone loves the varied selection that I send. allows me to find cards for almost all of my family and friends favorite places and people. Some of my friends even frame their cards - they are that beautiful. Others have told me that they plan to visit the state whose card they received - they did not realize how beautiful that certain state was.
