(author) Diana Sanders Cinamon : All About Antique Silver: with International Hallmarks (All About Antiques) (Paperback) - Common before purchasing it in order to gage whether or not it would be worth my time, and all praised All About Antique Silver: with International Hallmarks (All About Antiques) (Paperback) - Common:

A silver reference book that gives identification and dating clues for hollowware and flatware. It features silver hallmarks for 24 countries including England, France, Germany, Italy and Russia. It also includes British design registry numbers, US Design and Utility patent numbers and metric conversion tables.
