**K.D. Kirkland : America's Premier Gunmakers (4 Volume Set)** before purchasing it in order to gage whether or not it would be worth my time, and all praised America's Premier Gunmakers (4 Volume Set):

1 of 1 people found the following review helpful. A good buy...By another\_perspective This was a good buy. The set included the history of the four major gun producing firms in America from the 19th century until the late 1900's. The data in the series are a bit dated. The publication is a republication of an earlier series and was not brought up to date to the date of its publication. Still it served my purpose as I was looking for historical perspective. I would recommend this series to anyone not looking for up to date information. 5 of 5 people found the following review helpful. bought more for gifts By Ben Dover I already had a set of these books, and bought more to give to my gun enthusiast friends as gifts. There are old photos and sidebars and lots of history on these major gun makers. Very interesting reading. 0 of 0 people found the following review helpful. Wow, what a bargain. By B.Gee This is a gift to a friend, and I know he'll appreciate this ton of gun history, beautiful graphics and photography , richly produced. My order arrived after a just a

week from Arizona, carefully packed and brand-new as described. I'll trust this vendor again in the future.

America's great gunmakers are more than industrial entities. They are centers of exacting craftsmanship and precision engineering, and they are truly living legends. American gunmakers built not only the guns that won the Wild West but the guns that won both World Wars, and which today delight demanding sportsmen the world over. In this four book boxed set you will read about each of America's legendary gunmakers: Browning, Colt, Remington and Winchester. This is a carefully researched and illustrated book with more than 500 photographs telling the full story of the American firearms gunmakers. This classic set is a treasure sure to delight any gun enthusiast, whether sportsman or historian.

About the Author K. D. Kirkland is a lifelong gun enthusiast with special interest in craftsmanship and classic, lasting design. Mr. Kirkland's interests besides firearms are many and varied. He has long been involved in landscape photography and all aspects of motion pictures, including writing and editing. He is currently based in Logan, Utah, where he is an audio-visual engineer. His writings on America's premier gunmakers are authoritative and widely read.
