Robert Bubeck, David Garrigues : American Flyer s Gauge: Illustrated Price Guide History 1946-2000 before purchasing it in order to gage whether or not it would be worth my time, and all praised American Flyer s Gauge: Illustrated Price Guide History 1946-2000:

0 of 0 people found the following review helpful. Good information on old trainsBy William CodyA good read and great photos of old trains.1 of 1 people found the following review helpful. An out of date bookBy CustomerAt least 11 years out of date, it does have good info on the various items made by Gilbert and Lionel. The color pix are nice, as are the short histories. Sets, accessories, cars and locomotives are all listed.

This is a softcover book.
