It is a "must-have" for the jukebox collector.For essential descriptions, histories, and values of various makes and models, this job afficianada recommends Michael Baulte et. al's \*the Always Jukin Official Guide to Collectible Jukeboxes\* with its periodic updates.Buy `em both for an excellent composite resource of these Grand Old Music Machines. /TundraVision0 of 0 people found the following review helpful. Great book, great photos if you are a jukebox collector or lover!By McJuke in TexasOne of the best color photo guides to the great American jukeboxes of the 1940's, this book also has wonderful photos of many of the rare collectible satellite wall speakers and remote wallbox selection equipment of the period. Highly recommended book.0 of 0 people found the following review helpful. meh a few pictures and that is about it. ...By jmauckmeh a few pictures and that is about it. I was hoping to have some tech specs or back ground for each unit or something. Nope just pictures.

boxes from the classic era. Includes vintage advertising of the period and an appendix of detailed notes on each jukebox. Full-color illustrations.
