James R. Planche : An Illustrated Dictionary of Historic Costume from the First Century BC to c. 1760 before purchasing it in order to gage whether or not it would be worth my time, and all praised An Illustrated Dictionary of Historic Costume from the First Century BC to c. 1760:

Thousands of terms associated with apparel worn in the principal countries of Europe appear in this extensive and convenient reference. The alphabetically arranged items of clothing span nearly 2,000 years of fashion history — from the onset of the Christian era in the first century to the beginning of the reign of George III, c. 1760. From abacot, hacketon, helm, jipocoat, and jump to xainture, ysgyn, zatayn, and zibelline, the sweeping scope of this volume

encompasses a remarkable range of all-but-forgotten lore. Profusely illustrated with over 1,300 detailed line drawings, it offers a useful guide for fashion and cultural historians, writers, designers, movie and theatrical producers, and all others with an interest in the history of fashion.
