**Sean Linkenback : An Unauthorized Guide to Godzilla Collectibles (Schiffer Book for Collectors)** before purchasing it in order to gage whether or not it would be worth my time, and all praised An Unauthorized Guide to Godzilla Collectibles (Schiffer Book for Collectors):

Godzilla first rampaged across Japan's silver screen in 1954 and America's theaters in 1956. This book captures the range of Godzilla collectibles in comprehensive listings and over 570 color photographs, including animation cels, badges, banks, posters, toys, trading cards, and more with collecting tips and listing of top manufacturers of Godzilla

toys, posters, and vinyl figures.
