Could not give as a gift in this condition. Packaging was not damaged; only the contents. Disappointed that it was sent out in this condition.4 of 4 people found the following review helpful. Pillsbury Doughboy collectiblesBy SamboThis book is a very good book to have if you collect the Pillsbury Doughboy. There is items in this book that I've never seen and a lot of things I do

have. I'm happy with the pricing guide that is in the book. It's fun to look in the book and find things that you do have and see how much it's worth. I would tell anyone that is a collector to get this book. I would like to find another book with other stuff in it. 0 of 0 people found the following review helpful. I enjoy the book because I have several Pillsbury Doughboy items ...By BAAI enjoy the book because I have several Pillsbury Doughboy items and now can see suggested prices for them. I also discovered how many collectible items are out there that I didn't even know existed. It is fun to see if I can locate some of the hard to find items.
