Tom Tierney : Ancient Egyptian Costumes Paper Dolls (Dover Paper Dolls) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Ancient Egyptian Costumes Paper Dolls (Dover Paper Dolls):

I have other collections by Tom Tierney, but this one only has 9 costumes per gender. I noticed that some people say there is too much "near nudity", but it's nothing compared to what I see on the beach when people are in two piece bathing suits. So if you take your young child to a beach and don't mind them seeing people in bathing suits, then this collection will be just fine for young kids. 1 of 1 people found the following review helpful. Great little book! Perfect for the use I got it for!!! By Teresa Darlene Walsh I actually got this for ideas on ancient Egyptian clothing for use on dolls. It was wonderful for that. I just wanted some good inspiration to do outfits for Barbie dolls and I did get

design ideas. I have already sewn one of the outfits and it looks great on the doll!! I used braided black yarn for the wig and added the adornments in miniature that I got from this book!!! 1 of 1 people found the following review helpful. Where are the boobs? By Allegra DiNetta This is a very nice, historically accurate set of paper dolls. I also enjoy the written descriptions. I would recommend this book for anyone. Some of the other reviewers have complained about nudity, but they must have a strange definition of nude, because I didn't see any.

Splendid wardrobe of 16 costumes for a male and a female figure highlight 1,500 years of Egyptian fashion history. Includes colorful sheath dresses, sari-like cloaks, fringed shawl for the lady; kilts, royal robes, and soldier's uniform for the man. A dazzling window to the past, meticulously researched and rendered.
