From Brand: Cocoro Books : Anime Poster Art: Japan's Movie House Masterpieces before purchasing it in order to gauge whether or not it would be worth my time, and all praised Anime Poster Art: Japan's Movie House Masterpieces:

0 of 0 people found the following review helpful. Super keen art in a super frustrating formatBy EverheartHalf a century of anime poster art is reproduced here. Whether you're seeing it for the first time, or revisiting forgotten friends, it's mind blowing stuff. Unfortunately, at least on my iPad, the art is postage stamp sized and becomes grainy and fuzzy when enlarged. It's a \$3 digital book, so you can use it as a guide for hunting down bigger and better scans in online archives and not feel ripped off. But as an owner of several of Cocoro's physical books (this is a digital version of one of their out of print titles), I expected better than this.1 of 1 people found the following review helpful. Great book!By blzratThis is a really great book if you are interested in anime poster art. It's softback, and not really big, but has plenty of illustrations inside. I bought it for my son (an animation major) and he loved it. It was exactly what I was

expecting and I'm happy with the purchase.0 of 0 people found the following review helpful. Really goodBy GeeceeLittle more than 100 pages, really good book, excellent for someone learning the ropes along with a nice collection of the best posters with a summary included

The posters, programs and flyers that launched a revolution in animated film! Anime, now 50 years old, is as much a part of Japanese culture as sushi and Sony. And though many of the best works remain hidden from fans unable to visit Japan, some of these desirable images are here in this book! With 9 chapters, 160+ full-color images, 4 full-page essays and rich bonus material, this is more than just another film poster book. Here's a sample of the contents: * original Japanese posters, programs and flyers of Akira, Dragon Ball Z, Lupin III, Urusei Yatsura, Space Battleship Yamato, Mobile Suit Gundam and the Academy Award-winning Studio Ghibli * rare titles: Tomorrow's Joe, Jin-Roh, Golgo 13, Project A-ko and Hoshi of the Giants * each with storylines and background gossip * each with original Japanese copy and English translations * poster titles in English, Japanese, and Romaji * the story behind the colorful, crazed art * tantalizing facts and little-known information * detailed, witty introduction * page-length essays covering anime spin-offs(cels, toys, doujinshi) anime's roots; anime greats; the Japanese movie market

A visual feast of Japanese poster art! -- Julie Davis, Editor in Chief of ANIMERICAI can't imagine why any anime fan would want to be without it. -- Robert Bricken, Managing Editor of Anime InsiderAbout the AuthorBased in Tokyo, cocoro books specializes in visually stunning books about Japan's vibrant pop and anime subcultures.
