With some wonderful color photos you can see what old jewelry has to offer, being old does not mean being boring by far, this book gives some fair amounts jewelry that you may have sitting in some box. The question and answers help the new and old collectors alike 1 of 1 people found the following review helpful. Three Stars By Customer It was too high end for me. I was looking jewelry normal people bought. 0 of 0 people found the following review helpful. Cannot Give A Good answer By N. Meyer Interesting book to look at. I just added it to my collection.

With 1600 updated prices, an expanded colour section and a new section on jewellery construction, the fifth edition of this text is a suitable reference for dealers, collectors and appraisers of antique jewellery. The identification and price guide sections are divided into 20-year increments.
