**Harold Jellison, Daniel B. Homel : Antique Collectible Fishing Reels: Identification, Evaluation, and Maintenance** before purchasing it in order to gage whether or not it would be worth my time, and all praised Antique Collectible Fishing Reels: Identification, Evaluation, and Maintenance:

1 of 1 people found the following review helpful. Antique rod and reel book.By JimNI started collecting old rods and reels about years ago and was trying to identify my stuff, it's age and worth. To me thee book was worthless as it did not show anything I own and had no estimates of value. I wasted my time and money.0 of 0 people found the following review helpful. Good info bookBy Nathaniel A. Branch Jr.This book has good information but I need to see more reels0 of 0 people found the following review helpful. Four StarsBy Randy Matlockwell done

A helpful guide to identification, evaluation, and care of old reels, the new edition of "Antique and Collectible Fishing Reels" clearly communicates the sentiments of nostalgia that are so apparent in the exciting hobby of collecting old fishing tackle. Reel types dating from 1860 to 1970 are covered, including bait casting multipliers, fly reels, ocean trolling reels, spinning, and unusual reels.
