Top-selling collectibles author Longest offers a guide to toys from 1870 to the 1950s, with a special focus on pre-WWI toys. This full-color presentation includes over 750 beautiful photos, each accompanied by historical information, marks, dates and sizes to aid identification, plus current values.

Toy collectors who have holdings from 1870-1950 will find this a comprehensive guide blending identification listings and values.
