Duncan James : Antique Jewellery (Shire Library) before purchasing it in order to gage whether or not it would be worth my time, and all praised Antique Jewellery (Shire Library):

18 of 25 people found the following review helpful. Most Excellent Resource!By A CustomerAn Absolutely wonderful resource, that is concise, and well laid out by catagory. Easy to use and contains superbly informative illustrations. I will continue to use this wealth of information as a guide. I can't believe the large amount of information contained in one small volume! Gives credence to the phrase that "good things come in a small package"! Changed a novice collector into a more informed treasure hunter!
