Most are nice, there are a couple that are just a little creepy. These are a tear apart book, so when you separate them it leaves that raggedy edge. You have to cut the back over apart to get the three cards that are printed there. Useful, not a ton of pizzazz though. Just basic holiday postcards, but they do what they were intended for, so worth the \$5.0 of 0 people found the following review helpful. Fantastic Santas with Teddy Bears !!!By The Bear SleuthRARE and beautiful Santas with teddy bears----never have seen some

of these. Other uses for these in Art projects, etc., by author-artist Beverly Matteson Port---premier doll and Teddy Bear artist, preeminent in the field. A MUST for Christmas !!!

From the Collection of Beverly Port. 27 reproduced cards feature an excellent selection of views of the ever-popular and colorful character with a variety of dolls, teddy bears, and other toys.
