Nichols This is a good resource for Royal Doulton items not found in the Charlton Standard Catalogue. The two books together will give you a pretty comprehensive resource for identifying valuing "most" Royal Doulton pieces. This duplicates a small portion of the info in Charlton Standard, but includes most things missing from it. It is a great resource for animals, Bunnykins, Character Jugs, Flambe, Burslem, Lambert Art wares and more! To any Royal Doulton collectors, I recommend BOTH of these volumes!
