**Kyle Husfloen : Antique Trader Stoneware and Blue White Pottery Price Guide** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Antique Trader Stoneware and Blue White Pottery Price Guide:

0 of 0 people found the following review helpful. Five Stars By WVa Good information 0 of 0 people found the following review helpful. ... much pottery or pictures in here so not very useful if you dont know what you are looking for By brian Not much pottery or pictures in here so not very useful if you dont know what you are looking for. 0 of 0 people found the following review helpful. Not for identification of most pottery By M. A. Christenson I was looking for

a book to help me identify my logo on a crock I purchased on vacation. Since I could not find it online, I decided to buy a reference book to help me. This book has some great pottery in it, and gives approximate values for them. Unfortunately for me, it does not help identify pottery. Good book, just not what I wanted.

The beautiful glazed crocks, jugs and churns that were commonly used for food storage in the late 1800s and early 1900s have always attracted collectors. Today, that interest is more alive than ever--and now collectors can reference a full-color, comprehensive guide to their favorite stoneware pieces. Revered antiques expert Kyle Husfloen has teamed up with the American Pottery Auction to offer this guide, featuring 1,000 brilliant color photos of highly collectible stoneware. Detailed listings including descriptions, manufacturer's mark information and current pricing give collectors the essential information they need to make secure purchases. Stoneware collectors won't find a more comprehensive and easy-to-use identification and price guide anywhere else. -1,000 listings of collectible stoneware - Full-color photo of each piece listed -Detailed descriptions include manufacturer's marks
