When I'm done, it will be a nice gift for my sister who collects aprons. Sshh, don't tell her!0 of 0 people found the following review helpful. Four StarsBy Mickie HaggerGood1 of 1 people found the following review helpful. a Classic BookBy E. L. DiazJoyce created a masterpiece that has since set the standard for all other apron books to follow. Excellent photos and historical information was so informative, entertaining and interesting. It's my handbook for when I make my vintage apron reproductions!

Published to coincide with the national touring art exhibit "Apron Strings: Ties to the Past," Aprons is a nostalgic celebration of those heartwarming symbols of hearth and home and American family life. With 90 full-color photographs of exquisite vintage aprons, plus cultural anecdotes, history, and quotes from writers, designers, and generations of American women, this unique art book celebrates the utilitarian garment that evolved into a fashion statement.
