Alexandre Thers : Armor in Normandy: The British (Mini-Guides) before purchasing it in order to gage whether or not it would be worth my time, and all praised Armor in Normandy: The British (Mini-Guides):

Each mini-guide allows the reader to get to know more about a region's history, linking historical events with places of interest and sites of note, as well as providing an unprecedented visual feast of contemporary photographs, uniforms, badges and equipment - all in full color. Practical information is included in each mini-guide and itineraries are

suggested for those wishing to visit battlefields, monuments, memorials and museums.
