Francesca Cigola : Art Parks: A Tour of America's Sculpture Parks and Gardens before purchasing it in order to gauge whether or not it would be worth my time, and all praised Art Parks: A Tour of America's Sculpture Parks and Gardens:

3 of 3 people found the following review helpful. Helped me locate other Art Sculpture Parks in the US By B. Law-Diao This book helped me locate other sculpture parks in the US, some right in my state. Unfortunately, it is not as comprehensive as I would have liked. The layout is great, but the way they classify regions is strange. 0 of 1 people

found the following review helpful. Well-organized informationBy KBStPeteThis is a well-organized guide with lots of useful information and beautiful photos.0 of 1 people found the following review helpful. Five StarsBy Susan AllynExcellently!

Whether located in the heart of a metropolis such as Chicago or on sprawling fields in the countryside, sculpture parks and gardens have become increasingly popular destinations for art and nature lovers alike. These art parks offer visitors a unique opportunity to interact with large-scale works designed for quiet contemplation in natural landscapes. Art Parks is the first comprehensive guide to North America's most important outdoor sculpture parks. Parks are divided into chapters thematically and by region, with four maps that locate parks within each geographic area. Each of the fifty-seven locations—from large-scale parks in the countryside to small urban gardens and corporate sculpture collections—is described in detail and beautifully photographed. With its handy flexibind format, it is equally at home in the traveler's backpack or on the sculpture lover's side table.

"A beautiful book and the premier comprehensive guide to America's most relevant outdoor sculpture parks." -- Infinite Legroom
"Whichever park you choose to visit, Art Parks is the perfect companion on your journey." -- Departures.com
"Want to see something cool? Take a trip to these awe-inspiring oases of art, on display in parks all across the country." -- Reader's Digest
