From The Trip to Psych-Out, from The Wild Angels to Easy Rider (Yes, it's there.), from Women in Cages to The Big Bird Cage, I could go on and on. It has posters in English, a few in Danish and Italian, several lobby cards and much more. Recommended to all B-movie fans.0 of 0 people found the following review helpful. Five StarsBy Paulinai'd love this book, cheap, and with a lot of illustration i cant see in another place0 of 0 people found the following review helpful. Good resource.By P. MulloyA fun, well illustrated book on 'b' movie posters. My wife is a vintage poster collector and she found it a useful resource. It is also fun to look
