Monica Lynn Clements : Avon(r) Collectible Fashion Jewelry and Awards (Schiffer Book for Collectors) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Avon(r) Collectible Fashion Jewelry and Awards (Schiffer Book for Collectors):

It did not have all the info I wanted. I did enjoy the pictures and what info I could gather. I just got a tissue box almost full of Avon Bottles plus some 78 rpm records. Some awards that I had never seen before and that was the reason I had ordered the book. 0 of 0 people found the following review helpful.
