Fred Wilkinson : Badges of the British Army: 1820 To the Present : An Illustrated Reference Guide for Collectors (Illustrated reference guides for collectors) before purchasing it in order to gage whether or not it would be worth my time, and all praised Badges of the British Army: 1820 To the Present : An Illustrated Reference Guide for Collectors (Illustrated reference guides for collectors):

3 of 3 people found the following review helpful. An excellent book for a beginning collector of badges. By harp@mail.irish.va This book has excellent pictures and a very helpful index, cross referenced where appropriate. One outstanding feature is the use of dates whenever possible, so badges from the one historical period can be distinguished from another. One of the two necessary books for a beginner, the other being Gaylor's book on the subject.
