Stefanie Deutsch : Barbie, the First 30 Years: 1959 Through 1989 and Beyond: Identification and Value Guide (Barbie, the First 30 Years: 1959 Through 1989 Beyond: An Identification Value Guide) before purchasing it in order to gage whether or not it would be worth my time, and all praised Barbie, the First 30 Years: 1959 Through 1989 and Beyond: Identification and Value Guide (Barbie, the First 30 Years: 1959 Through 1989 Beyond: An Identification Value Guide):

1 of 1 people found the following review helpful. Very InformationBy DirtyLittleSecretsGreat addition to my new collection of Barbie literature. Contains a gazillion quality photos.0 of 0 people found the following review helpful.

Great buyBy GlendaThis 1989 book looks like it's never been open. So happy with the price and glad I purchased this book. Great seller0 of 0 people found the following review helpful. So much info lostBy DevoraPlease, would someone step outside of their own personal collection and write a TRUE guide to Vintage Barbie and Friends plus fashion and structures? Is it asking too much for someone to put together a comprehensive book on the first 10 or 12 years?This book would have to be much larger to cover the first 30 years of Barbie alone. There is so much missing.

Back by popular demand, Barbie, The First 30 Years is back in an outstanding 2nd edition. This book chronicles Barbieas she changed over the first 30 years of her production, 1959 through 1989 - whether the changes were in her facial features, her hair, her clothes, or the boxes that she came in - and what made these changes significant for Barbie doll buyers. More than 1,000 dolls are presented this time, and over 2,500 Barbiedolls, accessories, sets, and more are showcased. Collectors will find not only Barbie, but Ken, Tutti Todd, Skipper, Casey, Francie, Stacey, Midge, Christie, and many other friends and family in the book. Variations are now included, and dozens of new photographs of items never before pictured, as well as close-up shots of dolls not provided in the first edition. There are prototypes, foreign outfits, cases, promotional items, displays, gift sets, booklets, and even some dolls from the 1990s. You will be tickled pink with Barbie, The First 30 Years, Second Edition! REVIEW: This book chronicles Barbie throughout her first 30 years of production, and provides an entertaining look at the way she changed over that period of time.

About the AuthorStefanie Deutsch started collecting Barbie dolls in 1980 when she was still attending school in Germany. Her collection grew quickly and she became well-known through the German press, radio, and TV. In 1986, she formed an official Barbie doll collector club for Germany, Austria, and Switzerland. For Barbie doll's 30th anniversary in 1989, her dolls were shown in major, Mattel-organized exhibitions all over Germany and Switzerland. After graduating from law school with honors, Stefanie and her family (including some thousand Barbie dolls) emigrated to America. Here, in 1992, she wrote her first book about Barbie dolls, a price guide published in Germany that is now in its second printing. Stefanie also served as president of Barbie Doll and Friends of Vancouver. After the birth of her children, she parted with many of her dolls, but is still very involved in collecting.
