**Anthony [1815 - 1882]. Trollope : BARCHESTER TOWERS. With an Introduction by Angela Thirkell.** before purchasing it in order to gage whether or not it would be worth my time, and all praised BARCHESTER TOWERS. With an Introduction by Angela Thirkell.:

0 of 0 people found the following review helpful. Unique style.By Daniel G. DoyleFirst time I've read Trollope. Unique writing style that kept me turning pages. The language at the time along with unfamiliar words made for a slow read, which could wear on the patience of those who prefer an unchallenging quick pace. Takes some concentration to keep track of the many characters and their names without having to turn back to clarify scenarios. I got used to doing that and enjoyed the novel anyway.0 of 0 people found the following review helpful. Barchester Towers Anthony TrollopeBy MartinI decided to read this as a piece of nostalgia because I'd never tackled Trollope before. It's really quite cleverly constructed and in the end the villain gets his comeuppance and everyone lives happily ever after. The background of scenery and social life is fascinating as a piece of history, especially in relation to the power of the church at the time, and the rigidity of the social structure. The language is ponderous and elaborate but that's just part of the age and worth tolerating for the sake of a nice story. Give it a try.0 of 0 people found the following review helpful. Engaging readBy Steven E. DysonGreat story. Interesting characters. Very engaging in terms of character and plot developments. Edifying insights into human nature and human 'dangers' we all face in our relationships including the most important ones. The author's 'asides' are full of good humor and often close to hilarious. Trollope is very skillful in developing and maintaining suspense with re to plot lines and their development.

Personally speaking, this is a book I would enjoy reading again.

Limited to 1500 numbered copies signed by Kredel LEC 292 . Printed by Peter Beilenson with Kredel's drawings hand-colored in the studio of Walter Fischer of New York. Designed by Richard Ellis. With Monthly Newsletter / prospectus loosely inserted. xviii, 563, 3 pages. quarter leather over decorated paper-covered boards, slipcase.. thick 8vo..
