Great book! A must for Machine Age jewelry collectors! By Patrick Kapy Setting the new standard for scholarship and completeness, this book is a must-have for collectors of Art Deco chrome and plastic jewelry by the Jakob Bengel company! Beautifully photographed, brimming over with information from original sources, this book is required reading for lovers of "machine age"! Don't pass this one up and grab a copy before it's out of print!

Showcases 100 previously unknown pieces of jewellery from the Art Deco collection owned by the Jakob Bengel company.
