From Antique Trader Books : Black Americana: Price Guide (Antique Trader's Black Americana Price Guide) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Black Americana: Price Guide (Antique Trader's Black Americana Price Guide):

0 of 0 people found the following review helpful. Five Stars By Brenda K. Perfect...Awesome read !!! 2 of 2 people found the following review helpful. Not happy! By Kathy Steward Poor graphics. Some pictures were poorly printed/copied in black and white. I expected a better quality book. I have other books like this, this is the poorest of quality. 3 of 3 people found the following review helpful. This is an excellent reference guide By Carolyn Crawford Enjoying it still reading. Using it as a reference when I go antiquing. Would recommend to other people interested in collecting.

Beginning with an introduction by Julian Bond, National Chairman of the Board, NAACP, this thought-provoking book provides insight into two centuries of African-American cultural artifacts. Ranging from whimsical trinkets to fine art pieces, this well-illustrated guide covers over 1,000 items with detailed descriptions and current values.
