Robert D. Beeman, John B. Allen : Blue Book of Airguns before purchasing it in order to gage whether or not it would be worth my time, and all praised Blue Book of Airguns:

This new 4th edition Blue Book of Airguns is once again the standard informational source for the airgun industry. With almost 400 pages, 235+ manufacturers represented, and 800 digital images depicting most popular makes/models, no other single publication will give you as much information and up-to-date pricing on new and vintage airguns.
