**Matt Eastman : Browning Sporting Arms of Distinction: 1903-1992** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Browning Sporting Arms of Distinction: 1903-1992:

15 of 15 people found the following review helpful. Great Browning Resource By Steven Crummy This book is a must not only for the longtime Browning collector but the novice buyer as well. It contains detailed explanations of all different Browning firearms, including the models and grades of each type. In addition there is also a good bit of information on Browning's history, proof marks and serial numbers just to name a few of the categories this book touches on. I have found it an excellent resource. 0 of 3 people found the following review helpful. Browning sporting arms of distinction 1903 - 1992 By Mäkinen Torsti Excellent book for the collector of Browning sporting arms but I lack a deeper technical insight. 23 of 23 people found the following review helpful. Anything you want to know about

BrowningBy khhamill have been collecting Browning guns for a few years. I have tried to find out as much as I can about each gun I acquire. Not until I got this book did I get the real history behind each gun. This book is a great guide on finding out all there is to know about Browning guns and Browning history. I don't know how I got this far without this book. It even contains old original adds and instructions books! The book covers every possible detail. If you are a Browning fan this book is a must.

Considered to be THE reference on the Browning Arms Company, this book contains John Browning's inventions, serial numbers, proof marks, and engravings. In addition, all models of the famous Browning line of fine guns are covered. The history of the Browning family, the inventions, and Browning's association with Colt, Winchester, Savage, and others rounds out this fascinating book. Illustrated with hundreds of pictures and charts.

From the PublisherGenerally considered to be THE book on Browning firearms. Eastman's account contains John Browning's inventions, serial numbers, proof marks, and engravings. In addition, all models of the famous Browning line of fine guns are covered, including over-and-under shotguns, semi-automatic shotguns rifles, double-barreled shotguns, pump shotguns, single-barreled shotguns, lever actions, bolt actions, .22 rimfire rifles, center-fire and .22 pistols, special edition and collector's models, and much, much more. Finally, the history of the Browning family, the inventions, the company, and Browning's association with Colt, Winchester, Savage, and others is detailed in this all-inclusive book, which is profusely illustrated with hundreds of pictures and charts.
