Rick J. Tomaska : Cameo and Brilliant Proof: Coinage of the 1950 to 1970 Era before purchasing it in order to gauge whether or not it would be worth my time, and all praised Cameo and Brilliant Proof: Coinage of the 1950 to 1970 Era:

1 of 1 people found the following review helpful. A must have book for your coin library.By j thomasIf you are just starting to be a numismatist or an experienced numismatist this is a must have reference guide. Because of this book you now have Cameo and Ultra Cameo grades from the third party grading services. Rick Tomaska was instrumental in working with NGC and PCGS to assist in developing the standards and criteria for the different Cameo grades. After this book was published Rick Tomaska became known as The Cameo King. The pictures of the coins showing the progression of die wear from Ultra Cameo to Cameo to brilliant proof is indispensable for any numismatist or collector of proof coins from the earliest period of proof coinage to the late 1970's.0 of 0 people found the following review helpful. Four StarsBy Ken HortonGreat reference book.0 of 0 people found the following review helpful. Five StarsBy Jamie AndrewsGreat book

Outstanding photographic details of the coinage of the 1950 to 1970 era.
